

## ***CANADIAN 5 PIN BOWLERS' ASSOCIATION***

3rd Edition – 06/30/03

### **Bowling Federation of Canada Update**

In Mar. the Federation held a Strategic Planning Session in Ottawa. As the 2002/03 Sport Can. submission was due, discussion ensued about individual organizations' submissions. Each of the partners reviewed their request and made modifications based on priorities for their organization. C5PBA have submitted the Youth Challenge as our main priority item along with CBET transition and some minor administrative and translation costs. As information becomes available, we will circulate same to all provincial associations.

### **Calendar**

As participants at the C5PBA Planning Session may recall, one of the items earmarked for posting to the web site was a calendar showing all of the tournaments and events for the coming season. I ask for your help by forwarding information about your provincial calendar for 2003/04.

### **Alberta**

If you haven't heard by now Alberta had a great time in Vancouver. *Congratulations* go to the 2003 Open contingent for their accomplishments at the Nationals. Singles: Tracy Smith – Bronze and Tom Stevenson – Silver. Men's and Mixed Teams – Gold and our Ladies – 4<sup>th</sup>. Alberta finished the week off in grand style by capturing the Aggregate Award. I would like to *thank* the 2003 Open National Host Committee for a great job. Special thanks goes to Ken Chambers, Gail Chambers and Sheilagh Meyer for an outstanding job. These are the volunteers that put their *heart and soul* into making events and the sport that much better. With volunteers like this the C5PBA will only become bigger, better and stronger. Keep up the excellent work. The A5PBA will be represented at the annual BPAA Conference that is scheduled for July 23<sup>rd</sup> – 25<sup>th</sup> in Lethbridge, AB. I would like to wish everyone an enjoyable summer and we will see you all next season.

### **Ontario Convention**

From June 12<sup>th</sup> to 14<sup>th</sup>, Ontario 5 Pin Bowlers' Assoc. conducted its 37<sup>th</sup> Annual Convention and General Meeting at Clevelands House in Muskoka. Delegates approved an increase in Membership cost from \$8.00 to \$10.00. Included in this increase is an automatic entry into a new Membership Tournament. The Membership Committee presented an initiative plan to recruit Ontario Special Olympics leagues and bowlers as members of O5PBA. Greater emphasis has been placed on the use of technology. The Information Technology Committee working together with Finance, will use e-mail for the distribution of invoices to associations who are on-line to further reduce paper and mail costs. Photographs and further information is available on the O5PBA website.

**PEI**

By now you will have put your bowling shoes away for the summer. This has been a tough year for the Association but with the help of many volunteers we managed to break even. This year we had a new tournament called the Kids Help Phone Strike 13. It was a team tournament and went over very well. We raised \$5200.00 for Kids Help Phone and we are hoping next year will be bigger and better. In the High-Low Doubles at the Nationals PEI finished 4<sup>th</sup>. At the Youth Challenge in Edmonton we finished 3<sup>rd</sup> in the qualifying round and lost to Quebec in the play off. Kyle Blanchard was named to the All Star Team and Kelly Trainor set a new 6 game record of 1541. At the Open Nationals in Surrey B.C., the Ladies Team finished 10, the Men's Team finished tied for 6<sup>th</sup> and the Mixed Team finished in 9<sup>th</sup> position. At the end of the week the bowlers took a tour of Vancouver and had a great time. Congratulations go out to Andrew Bryenton who rolled a perfect game at the Basilica Rec Centre in the TSN roll off. We wish everyone a great summer.

**Nova Scotia**

Congratulations to Synthia Schofield and Julian Chaisson who won the Maritime TSN roll off in Summerside, PEI. Also congratulations to Theresa Atkinson, the winner of the Atlantic Region CBC roll off. Our Provincial Mixed Team had a 4<sup>th</sup> place finish at the Nationals in B.C., a very respectable finish for a team from a small province and drawing from a small number of competitors. Well Done! We are planning a Technical and Practical Coaching Clinic Level 2 in September. For further information, please contact Synthia Schofield at 445-2817. Have a safe and relaxing summer and see everyone in September

**Good Scout**

It was the last night at the Boy Scout camp and everyone was taking turns recanting their highlight of the week. Just then they noticed a black bear had entered the campsite and was scavenging for food no more than a few metres from where they were sitting. Finding none, he left much to everyone's relief. "Mr. Hughes", one of the scouts asked, "May I change my highlight?"

**Nfld and Labrador**

Like most provinces we are finishing the bowling aspect of our season. The administrative aspects for our Executive continue as we develop new ideas for the future and lay down a financial plan for 2003/04. Overall we had a very successful year culminating with the Ntl. Open championships. At this event we finished 2<sup>nd</sup> in the aggregate ranking, had 2 Bronze Medal teams, a National Ladies Singles Champion and 3 All Star Team members. We attended the Hi-Low and Youth Challenge tournaments and had one male competitor make the YBC All Star Team. We wish to thank everyone who helped to make these tournaments as successful as they were! On a local level we continue to hold our Provincial "Bowl for Sun" tournament which was very successful again this year. We had another "450" rolled at Holiday Lanes in St. John's by Tony Redmond. We met all demands for our Coaching Clinics and all necessary Lane Certifications were completed. We look forward to 2003/04 and wish everyone a safe and enjoyable summer.
