

# Coast to Coast

## CANADIAN 5 PIN BOWLERS' ASSOCIATION

11th Edition – Sept. 2004

### Welcome Back

On behalf of your  
Communication

Committee, we would like to welcome everyone back to another bowling season. We wish all of Canada good bowling in the 2004-2005 season. For all Provincial Boards, please be reminded that if you have information to be added to the newsletter, it is required by the middle of the month. That way the newsletter can be edited and sent out to the proper people for omissions and or corrections before being sent to all parties at the end of the month. Last year we saw an increase in the Provincial input from the previous year and we are hopeful that this year will have our best participation ever. We would also appreciate all persons who have been receiving the newsletter, and are no longer involved with the Association to please ensure that we receive the proper email address to be used for circulation. Your cooperation is greatly appreciated.
