CANADIAN 5 PIN BOWLERS' ASSOCIATION

24th Edition—February 2005

President's Message

Well, some of the Provincial roll offs have now been completed. The All Star Teams and Coaches for the Youth Challenge Nationals have been established. Northern Ontario is very excited to host this year's event in Thunder Bay and is looking forward to an outstanding and memorable event. I expect a number of Provinces have also completed their High/Low Doubles Provincial rounds and the Championship Team has been announced. I am sure this will be one very excited group of bowlers which will be proceeding to the first ever National 5 Pin Championship held in Yellowknife, NWT. The host committee is busily putting all the final touches in place and are looking forward in seeing everyone and introducing them to a little bit of Northern hospitality. At this time of the year I would also like to remind everyone that the C5PBA office is very busy with all the necessary preparation for our National Championships. Please be patient when requesting information or supplies. I would like to CONGRATULATE all those advancing to the National events and would like to wish you the best of luck.

CBET

CBET update.

Our first Community Coach pilot was held Feb 17th in Calgary and I would like to thank all the coaches who took part in this pilot as well as their input on how we can improve on this course. A special thanks goes to Fran Clarke and Geoff McMullan our Facilitators for this pilot. The second pilot will be run March 4th in Toronto.

Manitoba

It has been a very busy month in Manitoba for our sport. All Zones have completed their qualifying and established their Open teams and we are now planning the details for the upcoming Provincial Championships. The quality from around the Province will surely make Brandon come alive when these teams hit the hardwood at Recreation Lanes. Can you say WOW? Winnipeg bowlers Kayla Mowat and Steve Woods made 30 of their competition say just that when they bowled more than 400 pins over their average to become Manitoba's champions in the Hi-Low Provincial Finals on Saturday, February 25th, 2006. 1st Vice-President Syliva Swaenepoel has been selected as Manager for the event and will surely have a great time in Yellowknife. Go Manitoba Go! Interprovincial took on a new meaning this month for Manitoba bowlers Scott Buchanan. During game 3 of his qualifying round at the Brewhouse-Jubilee Ford Open in Saskatoon, Sask., this 16 year old from Winnipeg threw a perfect 450. For his feat, Scott won a 2 year lease on a Ford Focus. Way to go Scott, you have made us all proud once again. See you on the lanes.

Southern Ontario

Although we are all waiting for things to warm up on the outside, our bowlers are sure keeping things heated up on the inside. This past weekend Hamilton hosted both the Hi-Low Doubles Tournament as well as the PST (Presidents, Secretary, and Treasurers) Tournament. Winning trips for two to the sunny south are Jules Haspect of Orleans, Jim Clipperton from Middlesex Elgin and Diane Martin from the Ridgetown 5-Pin Assoc. Joining these lucky winners are Gord Hunter and Tracy Leary from Mike's Lanes who placed 2nd in our Hi-Low Doubles Tournament as well as our winners Kristy McMahon and Shirlee Kennedy from the Waterloo 5-Pin Bowlers Association. Both Kristy and Shirlee will now be representing Southern Ontario at the National Championships in Yellowknife and we wish both of them good luck and enjoy the experience. Our youth bowlers will be gathering in Collingwood March 9th and 10th to compete in the Ontario Winter Games. Thirteen days later the top 3 girls and top 3 boys along with their coaches Maureen Poole and Kevin Pitkin will be leaving for Thunder Bay and the National youth Championships. We wish all our youth bowlers good luck in Collingwood as well as in Thunder Bay.
