## CANADIAN 5 PIN BOWLERS' ASSOCIATION

40th Edition—December 2007

### *C5PBA President's Message*

As the end of 2007 draws near we can look back on the year with fond memories of our Sport. Sure there were low points but these were definitely outweighed by the positives. Every volunteer should feel a sense of pride to be associated with such a great organization and to work with a wonderful group of people who have the same passion.

We now look forward to 2008. Your Executive and Board of Directors are committed to making additional improvements in our Sport and to working with our various partners to ensure all members of our Association have increased opportunities.

The C5PBA's SAGM will be held in Toronto from January 17 – 19. If you have suggestions for improvements in our Sport or new areas we should be focusing on, please contact your Provincial Association representative to ensure it is reviewed.

On behalf of the C5PBA Executive and staff, we hope that 2008 will be everything you wish it to be!

C5PBA President

### Manitoba

Well things are just moving swiftly along in Manitoba. Zone finals are getting set in the Hi-Lo Doubles around the Province while Carman is gearing up to host the Provincial Championships in the near future.

Our tournament committee is hard at work assisting in the organization of the Hi-Lo Doubles Championships to ensure everyone visiting our capital city of Winnipeg will not only have a great time bowling, but also a chance to enjoy the city life.

From all of us to all of you, best wishes for a successful 2008...Happy New Year!

### Southern Ontario

Now that a white Christmas is a certainty here in Southern Ontario, lets us say goodbye to the first half of another exciting bowling season. Our Youth Challenge Zone rounds are now in the book and the teams are preparing for the Regional rounds the first week of January. Our Zone Open rounds are now complete and the teams will soon start preparing for another trip to Hamilton at Easter. As we gather with friends and family to celebrate this joyous time of the year, let us not forget the real reason for Christmas and that of course is the birth of our Lord Jesus Christ. From the Board of Directors and the staff of the O5PBA we wish everyone a very Merry Christmas and a Happy New Year.
