

Welcome to the Bowl Across Canada Web Page

5-pin Bowling was invented in the fall of 1908 by Thomas F Ryan. The first league was formed in early 1909.

It is a Canadian Sport and was voted the 4th greatest Canadian invention by the Canadian Broadcast Corporation. To celebrate the 100th anniversary of the sport, Terry Burns will travel across Canada bowling in 100 different towns in Canada over a 100 day period. Hopefully you will be able to visit a center in which he will be bowling.

The pages on this web site will high-light each day of the tour. Below is a schedule of towns and centres with approximate times of when Mr. Burns will be in attendance. Please stop by to say hi and show your support for a great Canadian sport.

(note schedule may change without notice, all times are subject to change)
