

Volunteer Week

To all our volunteers across this great country I say thank-you for tirelessly putting forth countless hours to make our Sport the best it can be.

We all know the dedication it takes to ensure all aspects of our game are attended to and I want to ensure you that it does not go unnoticed. We all play a major role from the League to the National level.

Because we recognize the significant value of our volunteers, the C5PBA will be reviewing a program, at the 2011 AGM, to formally recognize the volunteer leaders of our Sport in future years.

Take care and again Thank-you!

Mel Osmond
President, C5PBA
