EXECUTIVE HANDBOOK

The Canadian 5 Pin Bowlers' Association (C5PBA) **EXECUTIVE HANDBOOK** continues with the identity and role this 2023-24 season in aiding the league executive to **WORK TOGETHER AS A TEAM**.

The manual's title was changed to the "EXECUTIVE HANDBOOK" in the 1985-86 season, in recognition of the enormous workload fulfilled each season by our thousands of volunteer league secretaries. We hope this name change has helped to divide the responsibilities of administering a 5 Pin Bowling league more equally among the league executive.

While this manual was originally designed to assist all affiliated bowling leagues in the everyday running of their programs and tournaments; we hope to further improve your league's administration by promoting the idea that **EVERYONE HAS A ROLE TO PLAY**.

We congratulate you for your invaluable and tremendous contributions in the past; and extend our sincere appreciation for your continued support and promotion of 5 Pin Bowling.

As our sport continues to grow in popularity and becomes the "in" thing to do -- we wish you a successful 2023-24 season of **"LIFE IN THE FAST LANE"**.

WHEN YOU NEED A HAND ...

It is common for bowlers to ask questions. It is common for league executive members to respond with answers. But when you don't have them at your fingertips and you need a hand or a little reassurance, who should you ask?

We suggest the following pattern be utilized:

CANADIAN 5 PIN BOWLERS' ASSOCIATION RECORD SCORES

****ATTENTION LEAGUE SECRETARIES AND STATISTICIANS****

Just a friendly reminder to you that it is necessary that the **YEAR END AVERAGES** from year to year are NOT thrown out; but rather transferred to the bowler's **NEW AVERAGE SHEET!** This is necessary for many reasons -- for example -- to determine the bowler's year end average for recognition of record scores and such tournaments as the **C5PBA Inter-Provincial Championship**, etc.

By keeping the year end averages of bowlers in your league, you will save yourself **loads of work!**

Because 90% of the Canadian 5 Pin Bowlers' Association membership is comprised of low to medium average bowlers, the C5PBA adopted a record score program to recognize bowlers when they excel beyond their established ability.

This program is used in several provinces; and already Zone and Provincial Records have been established. It is hoped that all provinces will eventually implement this program.

The following procedure will assist your League in initiating the Record Score Program:

- I. Most bowling centres in Canada have at least one (1) PENDING and one (1) PERMANENT Record Scoreboard:

PENDING - Where the CURRENT season's reported scores are posted

PERMANENT - Where all STANDING record scores are posted, as compiled over all previous 5 Pin Bowling seasons

A PENDING record becomes PERMANENT when all reported record scores from the Pending Scoreboard (current season) are compared with those scores on the Permanent Scoreboard (previous seasons). A pending score that exceeds a permanent score replaces the latter in the FOLLOWING SEASON.

- II. a) at the end of December, if any posted scores (from the Permanent Scoreboard) are beaten, the League Secretary or Designate shall fill out a Record Score Form (individual and/or team) with all the particulars. (SEE SAMPLE).

NOTE: If there are no scores posted, the League Secretary or Designate should complete a record score report form and include the HIGHEST scores for these categories.

- b) the League Secretary or Designate shall send these forms to his/her Local Record Score Chairperson, who will forward them to the Provincial Association;
- c) From these scores, the Provincial Record Score Chair-person will enter the highest scores from the House and Zone Associations on a PENDING Scoreboard. Scores submitted for which there are no existing records, shall be entered on their respective scoreboard and shall constitute a "Pending Record".
- d) At the conclusion of the bowling season, each League Secretary or Designate shall complete an END OF THE YEAR REPORT FORM (individual and team) for ALL categories and send it to the Local Record Score Chairperson who will forward it to the Provincial Association.

NOTE: This report should include the highest scores, whether or not these were previously submitted during the season (regardless of having beaten any posted scores).

AT THE START OF THE FOLLOWING SEASON, NEW RECORDS WILL BE ESTABLISHED AND POSTED ON THE PERMANENT SCOREBOARD IN ALL BOWLING CENTRES.

CANADIAN 5 PIN BOWLERS' ASSOCIATION

RECORD SCORES FORMAT

The C5PBA Record Scores Program is designed to recognize individuals and teams for their outstanding achievements in 5 pin bowling. The program is conducted on an annual basis and scores that beat existing records are inserted in the All Time Record Scores. The Record Scores Program shall observe the following general rules.

1. Records to be maintained at the House, Zone, Provincial and National levels.
2. Records to be maintained in two (2) basic divisions:
INDIVIDUAL RECORDS
TEAM RECORDS
3. League and tournament records to be maintained separately.
4. Individual records to be maintained in conjunction with the five average classifications.
5. Averages used shall be league average of the previous year or after twenty-one (21) games for new bowlers. Bowlers shall remain in the same average class for full season.
6. Team Records shall comply to the following;
 - a) Separate records kept for Ladies, Men's and Mixed Teams
 - b) A team consists of a minimum of two players
 - c) Same bowlers need not count each game
 - d) A Mixed Team score must include a minimum of one person of each gender
 - e) Average Classifications do not apply
7. Scores to be recognized as records only at the end of each season.
8. Tournament records to be compiled according to individual tournament formats.
9. Single, triple, four and five game scores to be maintained in league records.
10. Triple, four and five game records must be bowled consecutively on the same day and include the first game bowled.
11. Master Bowlers' Association scores to be compared to Provincial and Canadian Open Records.
12. End of the Year Awards to be presented by Provincial Association at end of season for highest single and triple in each class for that season.
13. All C5PBA Tournaments are eligible for Record Scores Program at all rounds.
14. C5PBA Rules and Regulations must be observed, e.g., certified lanes, foul lines.

SET-UP

LEAGUE DIVISION

1. All scores must be bowled in league play only, without handicap. No bowl-off scores are allowed.
2. Individual records maintained in conjunction with the five average classifications as show below:

	MEN	LADIES
CLASS I	0 - 165	0 - 155
CLASS II	166 - 185	156 - 175
CLASS III	186 - 205	176 - 195
CLASS IV	206 - 225	196 - 215
CLASS V	226 & UP	216 & UP

3. Where league format dictates that one individual score from team is dropped each game, that team will only be eligible for consideration in the category which includes all team member scores. E.g., if a six-player team scratches one score in league format and counts five scores, the team should be entered as a six-player team with all scores included.
4. Should a player for a team not be in attendance during league play, the team should be considered a full team. ie. If a six-player team has one or more members not in attendance, that team is still considered a six-player team and not a lesser amount due to attendance.
5. The reporting forms are to be completed and forwarded in a timely manner to the Local Association according to the established reporting schedule.

OPEN DIVISION

1. All scores must be bowled in sanctioned events.
2. All C5PBA Rules and Regulations are in effect.
3. As per General Note #10, all multiple game scores must be consecutively played games and include the first game played in that block.

TOURNAMENT DIVISION

1. Record Scores are maintained for each individual C5PBA Tournament. Provincial Bowlers' Associations may also choose to maintain records for Provincial Events.
2. The Tournament format will determine whether records are scratch or pins-over-average.
3. All scores from Zone, Provincial and National Records are eligible for consideration.
4. Scores must be submitted at the conclusion of the bowling season.
5. As per General Note #10, triple, four and five game scores must be bowled in consecutive games and include the first game in the block.
6. In the event that a bye occurs during the sequence, the actual games played shall be considered consecutive.
7. In order to be eligible for consideration in the Individual records categories for multiple games, the player must bowl at least one frame in each game.
8. Changes in Tournament format may determine whether all multiple game records are recognized annually. E.g. Reduction in number of games played may result in some categories ineligible for consideration. However, new categories may be created as a result of the changes.
9. Categories at this time are:

Individual Men's & Ladies: Single, Triple, Four, Five, Six, Eight, Ten, Fifteen, Sixteen, Eighteen, Twenty, Twenty One
Team: Single, Triple, Four, Five, Six, Eight, Ten, Sixteen, Eighteen, Twenty

7. A replacement **team** must be the next eligible team in order of finish from the preceding round.
8. A replacement **bowler** must be the next eligible bowler in order of finish from the previous round provided that the replacement bowler is from the same local association. Any bowler who vacates their position on a team for the next level of competition, forfeits their right to return to that team in the current year.
9. Personal bowling balls may be used if facilities permit. House balls must be used if the bowlers' personal bowling balls have not been returned (no delay of game). The use of personal bowling balls is at the bowlers' own risk. The proprietor shall not be liable for any damages to personal bowling balls.

14. The use of profanity, of any nature, will **NOT** be tolerated! A warning will be given, however, if use is continued, the offender will be suspended from competition.
15. The wearing or use of external electronic devices such as MP3 players, cell phones, etc. is prohibited. This applies while the bowler is on the approach but does not prohibit the bowler from using the device while awaiting his/her turn.
16. Suspended bowlers may NOT be replaced by emergency spares.
17. In case of any dispute, the decision of the Tournament Committee shall be final.
18. In all rounds, scorekeepers will be used only in the event of a malfunction with the scoring system.

LEAGUE ROUND (Optional)

1. Bowlers shall bowl a minimum of six (6) games during league play in a four-to-six-week period (as set by your Provincial Association) during regular league play between dates **as set by your Provincial Association** or October 9 – November 19, 2023.
2. The formula for advancing to the House round shall be determined by the Provincial Association.
3. Entrants must use their league average as of a date **as set by your Provincial Association** or October 8, 2023 with a minimum of twelve (12) league games having been bowled.
4. Leagues with teams that play with a substitution format and carry extra members, may adjust the format so that all members are eligible to participate.

Example: The bowler that does not start the game would be considered the same as absent and would count 95% of their average. A player that starts the game but does not finish, would be given the final score of the game that they had started.

HOUSE ROUND (Optional)

1. All League Round qualifiers in a bowling centre shall bowl a minimum of six (6) games. This may be bowled during regular league play.

After a frame has been completed and the next frame has been bowled, you cannot change the score unless it is an obvious error in addition. The scoresheet is the official score, and it is your responsibility to check it for accuracy. Team score recap forms and scoresheets must be signed by the coach **after each game**. Score sheets filled out improperly or not signed will result in an initial warning. A second offence will result in a final warning being given. For each additional infraction, a one (1) point penalty will be assessed against the team.
7. If there is a dispute regarding pinfall, call the Judge of Play for a ruling.
8. Lane courtesy should be observed at all times but should not be overdone.
9. Substitutions must be reported to the opposing coach when they are made.
10. In all team events, only bowlers competing in the event, coaches, and tournament officials shall be permitted in the bowlers enclosure.

11. Only a bowler taking their regular turn in the line-up shall be allowed on the approach at any given time. Coaches and all other team members must remain off the approach to the side or behind the scorestand.

13. The Coach is responsible for having his/her team line-up submitted on the official scoresheet for each game as quickly as possible.

WHY DOES A BOWLING LEAGUE NEED RULES, REGULATIONS AND A FUNCTIONING EXECUTIVE?

Bowling leagues are formed by social groups, office personnel, factory workers, community groups, fraternal orders, clubs, ladies' and men's organizations and by proprietors.

Less than 3% of all bowlers are in the major league category, so most bowlers bowl for relaxation, a night out or just plain fun. So why does a bowling league need rules and regulations when they are for the most part, bowling for the fun of it?

REASONS

- (a) If a dispute arises and there is no rule to cover it, what happens?
- (b) If money is missing from the treasury because there is only one (1) signing officer, what happens?
- (c) When trophies or prize money are to be awarded and no formula has been established, what happens?

The above are only a few examples of why you NEED RULES AND REGULATIONS as this is what could happen:

- (a) Bowlers' feelings get hurt.
- (b) Friends become enemies.
- (c) Bowlers quit the league.
- (d) The league folds.

All of the above are easily prevented if the league has a good set of rules, a constitution and league officers fulfilling their obligations.

The following has been prepared as a guide to assist your league and will definitely add more fun to your bowling.

SUGGESTED RULES FOR BETTER LEAGUE OPERATION

Canadian 5 Pin Bowlers' Association Rules do not cover all situations. They do not, for instance, provide for specific rulings on entering averages, doe scores, handicaps and prize lists or for specific variations in the use of substitutes. Therefore, a league must have its own rules to cover its individual requirements.

Your league should have a Constitution and Rules and Regulations.

The following sample League Rules list has been designed to fit these requirements. All that is required on your part, is to go through it, crossing out the options which do not apply to your type of league. Where additions might be needed, you have only to add them. The revised form should then be voted on by your league's executive. For more information on league rules go to www.c5pba.ca – League Supply

PLAY - OFFS

It is important to all leagues that Play-offs are conducted.

During the season, teams have played each other for points. In the Play-offs, total pins count over a period from three (3) to nine (9) games. Each team in this group is competing against all the other teams at the same time, and the team with the greatest pinfall becomes the Play-off Winner.

Most leagues bowl a split season with two, three or four series. Generally, half of the teams enter the Championship Division, while the balance of the teams take part in the CONSOLATION DIVISION, where they can win awards and cash.

The team with the most points during the regular league schedule should be declared the "LEAGUE CHAMPIONS", and should receive trophies and/or cash for this achievement. The Play-off Champions also receive trophies and/or cash and so do the Consolation Winners.

The top team in the Consolation Division should not receive more cash than the bottom team in the Championship Division. It will depend on the number of bowlers in the league and the number of series as to how many teams are in each division of the Play-offs.

The purpose of setting up Play-offs in this manner is to increase interest among your teams and to let all teams have a chance to win extra prizes in the Play-offs. It is strongly recommended that at least six (6) games be played to determine trophy winners. It is definitely bad policy to have only one week of Play-offs since not only are trophies given in Play- offs, but usually considerable amount of cash goes to the winners.

It is hardly fair that a team that gets lucky for one night should win a lot of money when teams that have performed fairly well all season do not get a chance to make a come-back after a bad night. Although we recommend six (6) games to be bowled for Play-offs, many leagues have increased their play-offs to nine (9) games, which only adds to league interest. This will shorten regular league season and prevent bowlers dropping out from leagues when they feel that they cannot win anything by continuing. Three (3) weeks of Play-offs on a total pinfall basis will increase enthusiasm among your bowlers.

POSITION NIGHTS

WHAT ?

A POSITION NIGHT is a night of bowling where teams play each other in direct competition, according to their position in the league standings. The top two teams in the standings play against each other and then the third and fourth place teams play against each other and so on until the last two teams in the standings play each other.

This does not replace a week in the league schedule, but simply pushes the succeeding weeks down one week in the schedule.

WHY ?

The main purpose of POSITION NIGHTS is to create extra excitement and interest among the league bowlers. When teams next to each other in the standings play each other, their positions are generally at stake. Thus, the second place team can easily gain first place if it has a successful night. The bottom teams are sure to divide the points up between them, whereas in the regular schedule if they were playing higher placed teams, they would not be as likely to get points.

The extra weeks created by POSITION NIGHTS also provide increased prize money for the league and help the league reach its contracted number of weeks in an excellent and interesting manner.

WHEN ?

If only one (1) POSITION NIGHT is scheduled, it should take place approximately three (3) weeks before the end of the final series. When this is done, the standings may change but the originally higher place team still has an opportunity to regain its position through the regular schedule.

If two (2) POSITION NIGHTS are required, they should take place three (3) weeks before the end of each of the two series or if there is only one series, they should take place after the fifteenth and twenty-fifth weeks.

If three (3) POSITION NIGHTS are scheduled, they should take place two (2) weeks before the end of each of the three series. If only two series have been scheduled, POSITION NIGHTS should take place two weeks before the end of the first series and after the fifth and ninth weeks of the second series.

If one series only is scheduled, POSITION NIGHTS should take place after the tenth, seventeenth and twenty-fifth nights of bowling.

HOW ?

League Bowlers should be informed of POSITION NIGHTS at the beginning of the season and then be reminded about POSITION NIGHT a week before it is to take place. Obviously, POSITION NIGHTS are crucial to team standings and bowlers should try to be on hand at these special nights.

When the bowlers come in, their teams are assigned to lanes, in the order of their standings. The top two teams are assigned to the first pair of lanes used by the league, the third and fourth go on the next pair and so on.

The league standing sheets should point out when the POSITION NIGHT is. After league POSITION NIGHT has taken place, the following week's league standing sheet should note the results.
